“From traditional to ultramodern, we’ve built it all and can handle any vision in any style.”

—Ben Krupinski

ABOVE & FACING PAGE: The owner's vision always partners with the builder's skill. A thoroughly contemporary house emphasizes that collaboration: the requested modern touches like stone tiles fabricated on-site in Styrofoam molds and steel doors and windows make a big impact. Floor-to-ceiling openings at the back of the house lead to an airy poolside atmosphere.
